

Covid-19 Pre-Screening Questions

Each player/parent should self-screen prior to arrival of each session.

*If you answer **YES** to any of these questions, you should not travel to the session and follow all applicable Government Guidance. It is important to remember some people can pass on the virus before they develop symptoms, or never have symptoms despite being infectious. Please contact ABC Kick 24 hours prior to your next session and do not attend.*

- *Do you have a high temperature (above 37.8 C)?*
- *Do you have a new continuous cough?*
- *Do you have a shortness of breath?*
- *Do you have a sore throat?*
- *Do you have a loss of or change in normal sense of taste or smell?*
- *Are you feeling genuinely unwell?*
- *Have you been in close contact with/living with a suspected or confirmed case of COVID-19 in the past 14 days?*

We appreciate your co-operation.

*Nicole Barrett
ABC KICK Director*
